

## **Revised Grant Amounts for 2018 Primaries and General Election and 2018 and 2019 Special Elections (Public Acts 17-2, 17-4, & 18-81)**

On October 31, 2017, the Governor signed Public Act 2017-2 (June Special Session) into law which made changes to the grant amounts under the Citizens' Election Program ("CEP") by suspending consumer price index ("CPI") adjustments to the base grant amounts for the 2018 election cycle so that they reverted to the original grant amounts prescribed by statute. On May 15, 2018, the Governor signed Public Act 18-81 into law which set forth that the grant amounts for 2018 would, in fact, be adjusted for CPI, in effect using the 2014 grant amounts for statewide office campaigns and the 2016 grant amounts for General Assembly campaigns.

Public Act 17-2 also implemented a grant reduction schedule so the later a campaign applies for a general election grant, the smaller the grant it will be eligible to receive. The dates established in this schedule were not modified by Public Act 18-81. Specifically, campaigns will receive the following percentage of the grant they are otherwise eligible to receive if they submit their application during agency hours according to the following schedule:

- Applications received prior to the 70<sup>th</sup> day preceding the election (on or before 8/27/18): 100% of grant
- Applications received on or after the 70<sup>th</sup> day but before the 56<sup>th</sup> day preceding the election (between 8/28/18 and 9/10/18): 75% of grant
- Applications received on or after the 56<sup>th</sup> day but before the 42<sup>nd</sup> day preceding the election (between 9/11/18 and 9/24/18): 65% of grant
- Applications received between on or after the 42<sup>nd</sup> day but before the 28<sup>th</sup> day preceding the election (between 9/25/18 and 10/5/18\*): 55% of grant
- Applications received on or after the 28<sup>th</sup> day preceding the election and by the last deadline date (between 10/9/18 and 10/12/18): 40% of grant

*\*Note that in 2018, the 28<sup>th</sup> day before the election is preceded by a holiday and therefore applications must be submitted by 5:00 p.m. on Friday, October 5, 2018, to qualify for a 55% grant.*

On November 21, 2017, the Governor also signed Public Act 2017-4 (June Special Session) into law which clarified that the above grant reduction schedule does not apply to special elections.

The following charts set forth the grant amounts for the November 6, 2018 statewide and General Assembly primary and general elections and any General Assembly special elections that occur in 2018 or 2019. Please note that the special election amounts reflected in the charts below apply only to those special elections stemming from writs issued on or after May 15, 2018.
