POLITICAL COMMITTEES ESTABLISHED BY OR ON BEHALF OF A LOBBYIST FOR THE 2020 SESSION OF THE CONNECTICUT GENERAL ASSEMBLY

This list is issued by the State Elections Enforcement Commission as required by the provisions of General Statutes § 9-610 (f). It contains the names of each political committee that has indicated in its registration statement filed with the State Elections Enforcement Commission that it was established by or on behalf of a lobbyist. Also included on the list are political committees that failed to timely file their biennial registration statements.

The committees appearing on this list are barred from making political contributions during the 2020 legislative session to or for the benefit of (1) candidate and exploratory committees for statewide office and/or the General Assembly, including committees of candidates who ran in previous elections for such offices, and which have deficits, and (2) political committees which appear on the list entitled *"Prohibited Recipients List: Political Committees Prohibited from Receiving Lobbyist Contributions in the 2020 Session of the Connecticut General Assembly."* Statewide office refers to the offices of Governor, Lieutenant Governor, Secretary of the State, Treasurer, Comptroller and Attorney General. In accordance with General Statutes § 9-610 (f), any ongoing political committee registered with the Commission is subject to these restrictions and included on this list if the committee was in existence prior to November 16, 2016 and its treasurer failed to file a biennial registration statement between November 16, 2016 and November 15, 2018.

Individuals who are registered lobbyists are similarly barred from soliciting and making political contributions to or for these candidate committees, exploratory committees, and political committees during the legislative session. The Office of State Ethics maintains a list of such individuals.

This ban applies from the opening of the regular legislative session on February 5, 2020 until adjournment *sine die* on May 6, 2020. The ban is not applicable to candidates in a special election to fill a vacancy in any legislative office or to candidates for federal or municipal office. Please note that communicator lobbyists, their spouses and dependent children, as well as political committees established or controlled by such individuals are subject to a year round \$100 contribution limit for certain committees outside of the legislative session. See General Statutes § 9-610 (g). Additionally, political committees established to make only independent expenditures may *never* make contributions.
