***III. Administrative Reports***

***1. Report of Executive Director and General Counsel Ryan Burns***

Director Burns reported that the past several weeks has been a very busy time for the agency. The IT unit is busy updating the agency's 47 systems; a recent update caused license issues for the commissioners. Temporary access was restored for this meeting, but commissioner licenses will go offline until next Wednesday while the vendor fixes the issue. IT staff has advised that additional system downtime is scheduled for Thursday of this week and will hopefully be minimal.

Director Burns advised that for the Audit & Disclosure Unit there are 34 pending audits. The audit & disclosure units' progress is strong and close to completion, which the agency is very excited about.

Director Burns provided a status update on the Enforcement unit. The unit currently has 28 matters as law enforcement holds, 7 collections, 36 non-filers and 101 active cases. A presentation on system and procedure updates will be provided at the upcoming in-person meeting in April.

Director Burns advised that legislative activities have also been significant, including budget requests for FY 2027–2028 and testimony on audit timeliness. From recent testimony, lawmakers responded positively to the agency’s improved audit completion numbers.

Relative to the agency, key bills being monitored or supported:
