III. Administrative Reports

1. Report of Executive Director and General Counsel Ryan Burns

Executive Director and General Counsel Ryan Burns updated the Commission on the Ricci v. SEEC. This lawsuit concerns an appeal of our dismissal of a complaint and the definition of a chief executive of a municipality. We have filed, through the Office of the Attorney General, a Motion to Dismiss in the matter, however the litigation is ongoing.

Executive Director Burns reported that the agency has been an active participant in the Elections Security Working Group. The agency is one of several state agencies that have been involved with developing communication protocols, training and contingency plans to ensure the safe and efficient administration of the election.

Executive Director Burns advised, on the enforcement side, there are 164 cases on the docket; 36 are on hold for referrals to our law enforcement partners; 36 are non-filers; and 96 are active complaints, referrals and SEEC initiated matters. Over the next few months, staff expects the docket to grow, primarily because the agency receives a bulk of complaints in the weeks surrounding the election, both before and after.

On the grant side, there are 285 grants awarded and out the door. Sixteen grant applications are pending with nine up for consideration today. This is the very tail end of our CEP season and staff does not expect many more, if any, grant applications to come in at this point. Additionally, the meeting scheduled for tomorrow can be cancelled.
