## ADDENDUM TO A GUIDE FOR PARTY (TOWN AND STATE CENTRAL) COMMITTEES *(last revised January 2019)*

### February 2020

In January 2020, the **limits on organization expenditures** made by town committees on behalf of General Assembly candidates participating in the Citizens' Election Program were adjusted according to the consumer price index. A town committee may now make up to **\$11,900** in organization expenditures on behalf of a participating state senate candidate during the general election campaign and up to **\$4,165** for a participating state representative candidate during the general election campaign. For more information on organization expenditures, please see the pertinent section of the Guide on pages 31-33.
