STATE ELECTIONS ENFORCEMENT COMMISSION ANNOUNCES EIGHTEENTH PUBLIC GRANTS OF SEASON

HARTFORD, CT – September 17, 2014 – The State Elections Enforcement Commission (the “Commission”) announced that it will make its eighteenth public grant payments under the Citizens’ Election Program (“CEP”) for the November 4, 2014 general election. The Commission determined that state representative candidates David Alexander (D – 58th District), Marc Balestracci (D – 38th District), Paul Brycki (D – 45th District), Daniel Carter (R – 2nd District), Piotr Ceglaz (R – 26th District), Matthew Cole (D – 106th District), Mary Justine Hockenberry (D – 14th District), Noele Kidney (D – 57th District), Philip Miller (D – 36th District), Mary Mushinsky (D – 85th District), Anthony Ortiz (D – 8th District), Kieran Ryan (R – 146th District), and Tom Vicino (D – 35th District) were eligible to receive Program grants. The Commission also determined that state senate candidates Terry Gerratana (D – 6th District), Carlo Leone (D – 27th District), Catherine Osten (D – 19th District), Karl Shehu (R – 15th District), and Gayle Slossberg (D – 14th District) were eligible to receive Program grants.

The CEP is a voluntary program which allows qualifying candidates for General Assembly and statewide offices to receive full public financing. To qualify for public campaign financing, candidates must demonstrate they have adequate support from the public. Candidates for state representative accomplish this by raising \$5,000 from at least 150 individuals residing in municipalities in their districts. Candidates for state senate accomplish this by raising \$15,000 from at least 300 individuals residing in municipalities in their districts. Participating candidates may only accept small dollar contributions from certain individuals—the maximum contribution is \$100—and no contributions from state contractors or PACs.

Grant amounts vary. Typically, general election grant amounts are \$27,850 for state representative candidates and \$94,690 for state senate candidates.

The CEP was designed, in part, to reduce the influence of special interests in state politics. In its fourth full cycle of providing public funding to General Assembly candidates, the CEP continues to provide a seawall against the rising tide of special interest money in today’s elections.
