STATE ELECTIONS ENFORCEMENT COMMISSION ANNOUNCES FOURTH GRANTS OF SEASON

HARTFORD, CT – June 17, 2020 – The State Elections Enforcement Commission (the “Commission”) voted at its June 17, 2020 regular meeting to approve public grant payments under the Citizens’ Election Program (“CEP”) for candidates in the August 11, 2020 primary and the November 3, 2020 regular election.

The Commission determined that state representative candidates Mark Anderson – (R – 62nd District), Christine Conley (D – 40th District), Craig Fishbein (R – 90th District), Minnie Gonzalez (D – 3rd District), Kenneth Gucker (D – 138th District), Gregory Haddad (D – 54th District), Paul Honig (D – 76th District), Joseph Polletta (R – 68th District), Kate Rotella (D – 43rd District), Stephen Stafstrom (D – 129th District), and Mary Ann Turner (R – 58th District) were eligible to receive CEP grants. The Commission also determined that state senate candidates Marcus Brown (D – 22nd District), Christine Cohen (D – 12th District), Henri Martin (R – 31st District), and Melissa Osborne (D – 8th District) were eligible to receive CEP grants.

The CEP is a voluntary program that allows qualifying candidates for General Assembly to receive full public financing for their campaigns. To qualify for public campaign financing, candidates must demonstrate that they have substantial support from the public. Candidates for state representative accomplish this by raising \$5,300 from at least 150 individuals residing in municipalities in their districts. Candidates for state senate accomplish this by raising \$16,000 from at least 300 individuals residing in municipalities in their districts. Participating candidates for General Assembly may only accept small dollar contributions from certain individuals—the maximum contribution is \$270—and no contributions from state contractors or PACs. General election grant amounts are up to \$30,575 for state representative candidates and up to \$103,955 for state senate candidates.

The CEP was designed, in part, to reduce the influence of special interests in state politics while encouraging grassroots support of campaigns. In its twelfth year of providing public funding to General Assembly candidates, the CEP continues to provide a seawall against the rising tide of special interest money in Connecticut elections.
