STATE ELECTIONS ENFORCEMENT COMMISSION ANNOUNCES SIXTH GRANTS OF SEASON

HARTFORD, CT – July 1, 2020 – The State Elections Enforcement Commission (the “Commission”) voted at its July 1, 2020 regular meeting to approve public grant payments under the Citizens’ Election Program (“CEP”) for candidates in the August 11, 2020 primary and the November 3, 2020 regular election.

The Commission determined that state representative candidates Laura Bush (R – 56th District), Gerald Calnen (D – 59th District), Laura Devlin (R – 134th District), Robin Green (R – 55th District), John Hampton (D – 16th District), Cindy Harrison (R – 69th District), Shaun Mastroianni (R – 43rd District), Ben McGorty (R – 122nd District), David Rubino (D – 23rd District), Sean Scanlon (D – 98th District), Danielle Wong (D – 15th District), and Phillip Young (D – 120th District) were eligible to receive CEP grants. The Commission also determined that state senate candidates Jorge Cabrera (D – 17th District), Paul Formica (R – 20th District), Marilyn Moore (D – 22nd District), and Rob Sampson (R – 16th District) were eligible to receive CEP grants.

The CEP is a voluntary program that allows qualifying candidates for General Assembly to receive full public financing for their campaigns. To qualify for public campaign financing, candidates must demonstrate that they have substantial support from the public. Candidates for state representative accomplish this by raising \$5,300 from at least 150 individuals residing in municipalities in their districts. Candidates for state senate accomplish this by raising \$16,000 from at least 300 individuals residing in municipalities in their districts. Participating candidates for General Assembly may only accept small dollar contributions from certain individuals—the maximum contribution is \$270—and no contributions from state contractors or PACs. General election grant amounts are up to \$30,575 for state representative candidates and up to \$103,955 for state senate candidates.

The CEP was designed, in part, to reduce the influence of special interests in state politics while encouraging grassroots support of campaigns. In its twelfth year of providing public funding to General Assembly candidates, the CEP continues to provide a seawall against the rising tide of special interest money in Connecticut elections.
