STATE ELECTIONS ENFORCEMENT COMMISSION ANNOUNCES EIGHTH GRANTS OF SEASON

HARTFORD, CT – July 15, 2020 – The State Elections Enforcement Commission (the Commission”) voted at its July 15, 2020 regular meeting to approve public grant payments under the Citizens’ Election Program (“CEP”) for candidates in the August 11, 2020 primary and the November 3, 2020 regular election.

The Commission determined that state representative candidates Matthew Blumenthal (D – 147th District), Mark DePonte (D – 45th District), Antonio Felipe (D – 130th District), Bobby Gibson (D – 15th District), Jennifer Leeper (D – 132nd District), Robyn Porter (D – 94th District), John-Michael Parker (D – 101st District), Patrick Pentalow (R – 28th District), John Piscopo (R – 76th District), Christopher Rosario (D – 128th District), Michael Skelps (R – 82nd District), Frank Smith (D – 118th District), Charlie Stallworth (D – 126th District), and Lezlye Zupkus (R – 89th District) were eligible to receive CEP grants. The Commission also determined that state senate candidates Gennaro Bizzarro (R – 6th District), Ryan Fazio (R – 36th District), Robert Statchen (D – 18th District), and Lisa Thomas (D – 35th District) were eligible to receive CEP grants.

The CEP is a voluntary program that allows qualifying candidates for General Assembly to receive full public financing for their campaigns. To qualify for public campaign financing, candidates must demonstrate that they have substantial support from the public. Candidates for state representative accomplish this by raising \$5,300 from at least 150 individuals residing in municipalities in their districts. Candidates for state senate accomplish this by raising \$16,000 from at least 300 individuals residing in municipalities in their districts. Participating candidates for General Assembly may only accept small dollar contributions from certain individuals—the maximum contribution is \$270—and no contributions from state contractors or PACs. General election grant amounts are up to \$30,575 for state representative candidates and up to \$103,955 for state senate candidates.

The CEP was designed, in part, to reduce the influence of special interests in state politics while encouraging grassroots support of campaigns. In its twelfth year of providing public funding to General Assembly candidates, the CEP continues to provide a seawall against the rising tide of special interest money in Connecticut elections.
