STATE ELECTIONS ENFORCEMENT COMMISSION ANNOUNCES NINTH GRANTS OF SEASON

HARTFORD, CT – July 22, 2020 – The State Elections Enforcement Commission (the Commission) voted at its July 22, 2020 regular meeting to approve public grant payments under the Citizens' Election Program ("CEP") for candidates in the August 11, 2020 primary and the November 3, 2020 regular election.

The Commission determined that state representative candidates David Arconti (D – 109th District), Kelvin Ayala (D – 130th District), Aimee Berger-Girvalo (D – 111th District), Michael Camillo (R – 27th District), John Collins (D – 55th District), Robin Comey (D – 102nd District), David DeBarba (R – 114th District), Michael DiGiovancarolo (D – 74th District), Robert Hebert (R – 111th District), Ernestine Holloway (R – 82nd District), Richard Lacourciere (D – 24th District), Liz Linehan (D – 103rd District), Paul Montinieri (D – 28th District), and Craig Stallings (D – 5th District) were eligible to receive CEP grants. The Commission also determined that state senate candidates Eric Berthel (R – 32nd District) and Martha Marx (D – 20th District) were eligible to receive CEP grants.

The CEP is a voluntary program that allows qualifying candidates for General Assembly to receive full public financing for their campaigns. To qualify for public campaign financing, candidates must demonstrate that they have substantial support from the public. Candidates for state representative accomplish this by raising \$5,300 from at least 150 individuals residing in municipalities in their districts. Candidates for state senate accomplish this by raising \$16,000 from at least 300 individuals residing in municipalities in their districts. Participating candidates for General Assembly may only accept small dollar contributions from certain individuals—the maximum contribution is \$270—and no contributions from state contractors or PACs. General election grant amounts are up to \$30,575 for state representative candidates and up to \$103,955 for state senate candidates.

The CEP was designed, in part, to reduce the influence of special interests in state politics while encouraging grassroots support of campaigns. In its twelfth year of providing public funding to General Assembly candidates, the CEP continues to provide a seawall against the rising tide of special interest money in Connecticut elections.
