STATE ELECTIONS ENFORCEMENT COMMISSION ANNOUNCES SIXTH CEP GRANTS OF THE 2024 ELECTION SEASON

HARTFORD, CT – The State Elections Enforcement Commission (the “Commission”) voted at its June 26, 2024 regular meeting to approve public grant payments under the Citizens’ Election Program (“CEP”) for candidates in the August 13, 2024 primary and the November 5, 2024 general election.

The Commission determined that state representative candidates Devin Carney (R – 23rd District), Savet Constantine (D – 42nd District), Lisa Deane (R – 101st District), Mark DeCaprio (R – 48th District), Michelle Embree Ku (D – 106th District), Craig Fishbein (R – 90th District), Kim Healy (R – 42nd District), Cinzia Lettieri (D – 35th District), Geoffrey Luxenberg (D – 12th District), Kaitlyn Shake (D – 120th District), Ethan Werstler (D – 52nd District), Kerry Wood (D – 29th District), and David Yaccarino (R – 87th District) were eligible to receive CEP grants. The Commission also determined that state senate candidates Christine Cohen (D -12th District) and Stephen Harding (R – 30th District) were eligible to receive CEP grants.

The CEP is a voluntary program that allows qualifying candidates for General Assembly and statewide offices to receive full public financing for their campaigns. To qualify for public campaign financing, candidates must demonstrate that they have substantial support from the public. Candidates for state representative accomplish this by raising \$5,800 from at least 150 individuals residing in municipalities in their districts. Candidates for state senate accomplish this by raising \$17,300 from at least 300 individuals residing in municipalities in their districts. Participating candidates for General Assembly may only accept small dollar contributions from certain individuals—the maximum contribution is \$320—and no contributions from state contractors or PACs. The full general election grant amount for a state representative candidate is \$36,500. The full general election grant amount for a state senate candidate is \$124,100.

The CEP was designed, in part, to reduce the influence of special interests in state politics while encouraging grassroots support of campaigns. In its sixteenth year of providing public funding to General Assembly candidates, the landmark public financing program continues to provide a seawall against the rising tide of special interest money in Connecticut elections.
