How to File: Effective July 1, 2017, all Judge of Probate candidate committees must file electronically by eCRIS unless (1) they have not raised or spent \$1,000 or more; or (2) they can demonstrate good cause for not being able to comply with the requirement, as determined by the Commission. Committees seeking to apply for a written waiver from the electronic filing requirement should contact Commission staff.

Which Form to File: Committees may use the “Short Form Campaign Finance Disclosure Statement” (SEEC Form 21) when they have not received funds or made or incurred expenditures in excess of \$1,000 from their inception through the close of the reporting period covered by the statement and have not previously filed an “Itemized Campaign Finance Disclosure Statement” (SEEC Form 20). Otherwise, they must use the SEEC Form 20. Committees should keep in mind that if they opt to file SEEC Form 21’s, they will still be required to report *all* activity since inception if and when they receive contributions or make expenditures exceeding the \$1,000 threshold. Reaching the threshold triggers the requirement to file an itemized statement (a “long form” SEEC Form 20).

Committees should keep in mind that if they opt to file SEEC Form 21’s, they will still be required to report *all* activity since inception if and when they receive contributions or make or incur expenditures exceeding the \$1,000 threshold. Reaching the threshold triggers the requirement to file an itemized statement (a “long form” SEEC Form 20). In the case of eCRIS users filing their first long form after having filed one or more SEEC Form 21’s, the committee will be required to: (1) amend the SEEC Form 21 covering the period in which the first financial activity of the committee occurred by amending the SEEC 21 to change it to a SEEC Form 20 or SEEC Form 30 and reporting that financial activity; (2) amend all subsequent SEEC Form 21’s submitted after that initial SEEC Form 21 to change them to SEEC Form 20’s and report any activity in those periods and also correct the summary totals, regardless of whether activity occurred in that particular period; and (3) after this “look back” reporting has been completed in eCRIS, submit the itemized statement (SEEC Form 20), covering the period laid out in the above calendar. If the committee is not filing by eCRIS, then its first filed itemized statement (SEEC Form 20) must cover a period that begins with the committee’s date of inception as the start date.

Type of Report: The “Type of Report” corresponds to the financial disclosure reports required by General Statutes § 9-608 (a). On eCRIS, all of the filings listed on this calendar are available on the standard reports dropdown menu. If a committee wishes to terminate prior to when the standard termination report is due, it may do so by selecting a termination report in the nonstandard reports dropdown menu where it will be able to set the appropriate dates.

Period Covered: The “Period Covered” means the dates for which the committee must report all of its financial activity. The period covered must include the financial activity of the committee beginning the first day not included on the last filed financial disclosure statement and must be complete through 11:59 p.m. of the date of the last day covered. For example, the April 10 filing covers all activity starting at 12:00 a.m. on January 1 and ending at 11:59 p.m. on March 31. If the committee came into existence after the beginning of the period covered by the statement, then the period covered must begin on the date the committee first received funds, the date the committee first made or incurred expenditures, or the date the committee registered (whichever is earliest).

Filing Deadline: The “Filing Deadline” is the last date on which the committee treasurer may submit his or her disclosure filing. In addition, the disclosure filing *may not be submitted or received* on or before the last day in the period covered. For example, the April 10 filing may not be submitted on eCRIS or received by the Commission’s offices on March 31 or earlier, since it must cover the period ending on March 31. The earliest this report may be submitted or received is April 1. Statements filed after the applicable deadline of the filing period will be subject to a mandatory \$100 late fee.

When and Where to File: Statements are to be filed with the State Elections Enforcement Commission. Statements are considered timely filed if they are filed electronically via eCRIS before midnight on or before the filing deadline date or, for those permitted to file by paper, if they are **received** by the Commission’s offices after the filing period has begun and by 5:00 p.m. on the filing deadline date if delivered by the United States Postal Service, courier service, parcel service or hand delivery. **Committees seeking confirmation of receipt should check their committee’s filing status on [eCRIS’s Document/Filing Search](#).**

NOTE: Self-funded candidates who have claimed an exemption from forming a candidate committee and have made or incurred expenditures over \$1,000 in the aggregate file the SEEC Form 23 in accordance with the same schedule as that of a candidate committee. They must report back from dollar zero, even if some of the activity occurred in a different filing period.

NOTE: Candidate committees of candidates who never make it onto the ballot but remain open are required to file all quarterly reports and submit deficit filings or a termination filing, as the case may be, in accordance with footnotes 7 and 8. Please call for further guidance.

Footnotes:

1. Only committees of candidates in a primary must file on this date.
2. Any committee of an unsuccessful candidate in the primary that has eliminated any deficit or distributed any surplus may terminate at or before this time by filing a Termination Report in lieu of this report.
3. A candidate committee of an unsuccessful candidate in the primary whose name is not eligible to appear on the general election ballot is not required to file this statement. Candidate committees of candidates who were not in a primary and are not eligible to appear on the general election ballot but remain open must file this report as well as all candidate committees of candidates on the general election ballot.
4. The committee of a candidate who was not successful in the primary, which still has a deficit as of November 7, 2022 (the 90th day following the August 9, 2022 primary) must file this report, and must thereafter file a Deficit Report on the 7th day of each month in which there was either an increase or decrease of more than \$500 as of the last day of the month preceding the filing measured against the amount of the deficit reported on the last Deficit Report. A Termination Report may be filed in lieu of a Deficit Report if the deficit has been erased and any surplus has been distributed by the last day of the month preceding the filing of a Termination Report.
5. The committee of a candidate who was not successful in the primary and which had a surplus that was not yet reported as distributed must distribute or expend its surplus by November 7, 2022 (the 90th day following the August 9, 2022 primary) and submit a Termination Filing by November 14, 2022.
6. A candidate committee that is ready to terminate at this time may file a Termination Report in lieu of this report. Keep in mind, however, that any candidate committee which has distributed its surplus by December 31, 2022 would have already filed its Termination Report because it is required to terminate within seven days of such distribution. Such a committee that has already filed a termination statement would therefore not need to file the January 10 report.
7. A candidate committee of a candidate on the ballot for the November election which still has a deficit as of February 7, 2023 must file a Deficit Report by February 7, 2023 and must thereafter file a Deficit Report on the 7th day of each month in which there was either an increase or decrease of more than \$500 as of the last day of the month preceding the filing measured against the amount of the deficit reported on the last Deficit Report. A Termination Report may be filed in lieu of a Deficit Report if the deficit has been erased and any surplus has been distributed by the last day of the month preceding the filing of a Termination Report.
8. A candidate committee of a candidate on the ballot for the November election must distribute or expend any surplus by March 31, 2023 and submit a Termination Report by April 10, 2023 (unless it has begun filing deficit reports). Keep in mind that any candidate committee which has distributed its surplus before March 31, 2023 must terminate within seven days of such distribution. Accordingly, such committee would have already filed its Termination Report and would not need to file the Termination Report.
