STATE ELECTIONS ENFORCEMENT COMMISSION

NOTICE OF CASE CLOSURE

Re: *In re. Commission Initiated Investigation: Andre Baker for State Representative, File No. 2019-171B*

The State Election Enforcement Commission initiated this Complaint based the post-election audit results of the *Andre Baker for State Representative* candidate committee, for the 2016 election cycle.

1. In light of the lengthy delay in bringing this matter before the Commission for resolution, the monetary amount at issue, and the equitable concerns of enforcement of an action the events of which occurred over 6 years ago, no further action will be taken against Respondent Andre Baker in this matter, and Case No. 2019-171B will be closed.
2. Dispositions for additional respondents in this audit matter are documented in case file 2019-171A.

Reflected in the record this 5th day of October 2023 at Hartford, Connecticut

Respectfully submitted by,

Sheri-Lyn Lagueux
Clerk of the State Election Enforcement Commission
