NOTICE OF CASE CLOSURE

**Re: *In re. Commission Initiated Investigation: Saud Anwar for South Windsor,*
File No. 2019-172B**

The State Election Enforcement Commission initiated this Complaint based the post-election audit results of the *Saud Anwar for South Windsor* candidate committee, for the 2016 election cycle

1. In light of the lengthy delay in bringing this matter before the Commission for resolution, the monetary amount at issue, and the equitable concerns of enforcement of an action the events of which occurred over 6 years ago, no further action will be taken against Respondent James Throwe in this matter, and Case No. 2019-172B will be closed.
2. Dispositions for additional respondents in this audit matter are documented in case files 2019-172A and 2019-172C.

Reflected in the record this 21ST day of Sept., 2023 at Hartford, Connecticut

Respectfully submitted by,

Sheri-Lyn Lagueur

Clerk of the State Election Enforcement Commission
