STATE ELECTIONS ENFORCEMENT COMMISSION

NOTICE OF CASE CLOSURE

Re: *In re. Commission Initiated Investigation: Saud Anwar for South Windsor,*
File No. 2019-172C

The State Election Enforcement Commission initiated this Complaint based the post-election audit results of the *Saud Anwar for South Windsor* candidate committee, for the 2016 election cycle

1. In light of the lengthy delay in bringing this matter before the Commission for resolution, the monetary amount at issue, and the equitable concerns of enforcement of an action the events of which occurred over 6 years ago, no further action will be taken against Respondent Saud Anwar in this matter, and Case No. 2019-172C will be closed.
2. Dispositions for additional respondents in this audit matter are documented in case files 2019-172A and 2019-172B.

Reflected in the record this 21ST day of Sept., 2023 at Hartford, Connecticut

Respectfully submitted by,

Sher-Lyn Lagueux

Clerk of the State Election Enforcement Commission
