Re: Final Summary of Post Elections Review (PER)

Dear Treasurer Erin:

Congratulations! The post-election review of your 2024 committee is now concluded. Please find enclosed a copy of the Final Summary of Post Elections Review (PER), which has been adopted by the Commission.

The Statutory mandated post-election review ensures that public & donated funds were properly handled. The PER also enables the agency to better prepare both staff and committees for future election cycles; it helps us to develop meaningful and effective training materials; and it provides us with ideas and proposals to more effectively administer the Citizens' Election Program. Thank you for your help in all of these matters.

We appreciate your time and assistance in providing us the needed information to conduct this comprehensive review. Having qualified, diligent treasurers and candidates helps make Connecticut's campaign finance system one of the best in the nation.

If you have any questions or concerns about the report or the process, feel free to contact your elections officer at (860) 256 2985 or via e-mail at [public.finance@ct.gov](mailto:public.finance@ct.gov).

Sincerely,

Salman Munir  
Director of Campaign Disclosure & Audit Unit

## **Final Summary of Post-Election Review**

### **“Shaun for State Senate”**

**April 26, 2024 – April 15, 2025**

Congratulations! The post-election review of your 2024 committee is complete. This Final Summary addresses our findings regarding your candidate committee. The Commission will take no further action with respect to these findings.

If you have any questions or would like to arrange a meeting to review any part of this Final Summary, please do not hesitate to contact an elections officer at (860) 256-2985 or via e-mail at [public.finance@ct.gov](mailto:public.finance@ct.gov).

### **Scope and Process**

Pursuant to a random lottery, your district was chosen for post-election review. By analyzing committees' documentation and records, Commission staff is able to identify common problems, discern areas of confusion, improve our training and outreach materials, and recommend legislative changes, if applicable.

Each committee is reviewed to determine that that campaign receipts were spent to promote the campaign of the candidate who established the committee. Contributions to participating candidates were reviewed at the time of the grant application and unless otherwise specified, any findings regarding receipts by the committee reflect information gathered then.

### **Results**

A draft post-election review report with some missing items was sent to the committee on January 28, 2026, and the committee provided most of the requested information.

Exhibit B4

Name of Payee/Creditor	Invoice # detail	Amount	Description
PT Strategy	1296 – Digital	\$41,500.00	Contract missing for multiple services provided to the campaign.
	8 – P2P Texting	\$7,560.00

	1279 – Direct Mail	\$3,290.00	

Committee response: Committee did not provide the missing contract for PT Strategy; they did provide all missing digital ads.

Commission Recommendation: Written pre-approval for campaign services provide important protection for treasurers and must be utilized. Treasurers who fail to reduce their agreements to write, with adequate detail of the work to be provided and how much it is to be charged, risk personal liability for amounts ultimately charged that may or may not have been approved by them. In the future, make certain that you maintain records reflecting what exactly you agreed to pay for and the amount you agreed to pay.

You must also maintain copies of invoices which adequately reflect the amount of work that was performed. You should determine if a campaign service provider is subcontracting on behalf of the committee and, if so, disclose accordingly. For example, the name of companies from which newspaper advertisements were purchased must be provided, along with the amounts paid to those providers by the campaign service providers subcontracting work out to them.

We note that more than 95% of the grant was spent between two vendors. Please be aware that the agency will be issuing regulations in the near future to address campaign general contractors and we welcome your input as we develop guidelines for such vendors.

This post-election review is successfully concluded. We thank the committee for its responsiveness during this process.
