Re: Final Summary of Post Elections Review (PER)

Dear Treasurer Jo-Anne L Rusczek:

Congratulations! The post-election review of your 2024 committee is now concluded. Please find enclosed a copy of the Final Summary of Post Elections Review (PER), which has been adopted by the Commission.

The Statutory mandated post-election review ensures that public & donated funds were properly handled. The PER also enables the agency to better prepare both staff and committees for future election cycles; it helps us to develop meaningful and effective training materials; and it provides us with ideas and proposals to more effectively administer the Citizens' Election Program. Thank you for your help in all of these matters.

We appreciate your time and assistance in providing us the needed information to conduct this comprehensive review. Having qualified, diligent treasurers and candidates helps make Connecticut's campaign finance system one of the best in the nation.

If you have any questions or concerns about the report or the process, feel free to contact your elections officer at (860) 256 2985 or via e-mail at public.finance@ct.gov.

Sincerely,

Salman Munir
Director of Campaign Disclosure & Audit Unit

Scope and Process

Pursuant to a random lottery, your district was chosen for post-election review. By analyzing committees' documentation and records, Commission staff is able to identify common problems, discern areas of confusion, improve our training and outreach materials, and recommend legislative changes, if applicable.

Each committee is reviewed to determine that that campaign receipts were spent to promote the campaign of the candidate who established the committee. Contributions to participating candidates were reviewed at the time of the grant application and unless otherwise specified, any findings regarding receipts by the committee reflect information gathered then.

Results

A draft audit report with some missing items was sent to the committee on May 29, 2025. Committee provided all requested information regarding prior approvals for mailers. The committee provided all requested information and these issues have been resolved.
