

Candidate Registration List for Election Year 2012

** Committees designated as "participating" have filed an SEEC CEP Form 10 indicating an Intent to Abide by Program rules. This designation does not indicate that any part of the grant application is complete or sufficient and grant awards are subject to Commission determination. Committees designated as "non-participating" have filed an SEEC CEP Form 11 or 13 indicating an Intent Not to Abide by Program rules, have registered an exemption which renders them ineligible to participate in the Program, or have missed the deadline for filing an SEEC CEP Form 10.

*** An "active-exempt" designation indicates that the candidate is currently registered with the SEEC but has filed an exemption to forming a candidate committee because they are entirely self-financed, will receive and spend less than \$1000, are running as part of a slate with a town committee or a political committee, or will raise and spend no money.
