STATE ELECTIONS ENFORCEMENT COMMISSION

In Re: Commission Initiated Investigation Into,
"Tim For Connecticut 2018," Hartford

No. 2023-009A

NOTICE OF CASE CLOSURE

The "Tim for Connecticut" candidate committee (the "Committee") was reviewed as part of the Commission's Post-Election Audit Process (the "Audit") for the 2018 election cycle. Based on Audit results, the Commission voted on December 21, 2022, to initiate an investigation into the Committee to determine whether there were campaign finance violations. Thomas Daly, Treasurer; Elaine Hammers, Deputy Treasurer; and Candidate Timothy Herbst were identified as Respondents. This disposition pertains to Respondent Daly. Resolutions of this matter regarding Respondents Hammers and Herbst are treated under separate documents.

The Committee had four treasurers during the campaign. Respondent Daly served as its final treasurer. Upon investigation it was determined that many of the audit concerns occurred before his tenure as treasurer of the Committee. Outstanding issues remain regarding Respondent Daly's failure to maintain and provide supporting financial documents and bank records in the course of the Audit as required by General Statutes § 9-606 and § 9-608.

In the course of this investigation it has been determined that Respondent Daly no longer resides in or is registered to vote in Connecticut, and records indicate that he has purchased a home out of state. The Commission therefore declines to invest further resources in the pursuit of any claims against Respondent Daly unless or until he avails himself to this jurisdiction.

The Commission therefore directs the Clerk of the Commission to administratively close this matter as to Respondent Daly and reserves the right to re-open the same.

Reflected in the record this 21st day of January, 2026, at
Hartford, Connecticut.

Respectfully,

② Deputy Clerk of the State Elections Enforcement Commission
